

Join the World's Leading HVAC&R Organization

Application for
Developing Economies

The resources of ASHRAE are here for you.

Advancing HVAC&R to Serve Humanity
and Promote a Sustainable World

What Members Say?

“Being an ASHRAE Member for more than three decades, I have had a source to constantly update my knowledge in HVAC to keep up with new innovation for the advancement of my career.”

- WL, P.E., Bangkok, Thailand

“Being an International member of ASHRAE for over a decade, I get an opportunity to network with the Global pioneers of HVAC&R Industry. This has enhanced my knowledge on the latest trends of HVAC&R to keep pace with the changing environment not only in my country, a developing nation, but also across the world.”

- RL, New Delhi, India

“ASHRAE provides me with an excellent platform, in which I can keep myself updated with the latest technology & global trends in the HVAC&R industry. The people I have met have common interests & passions to drive the industry forward. The ASHRAE global conferences & technical seminars give insightful ideas for my business development.”

- KCT, China

ASHRAE membership is open to anyone associated with heating, ventilation, air conditioning or refrigeration. With more than 50,000 members from more than 100 nations, you can participate in a diverse society representing HVAC&R professionals around the world.

Who is a member?

Members are represented by students, consulting engineers, mechanical contractors, building owners, employees of manufacturing companies, educational institutions, research organizations, government, architects, or anyone concerned with HVAC&R for the built environment.

What Member Type is Right for You?

ASHRAE has three grades of membership awarded to applicants based on their experience and participation in the industry.

Member grade and associate grade offer the same member benefits.

ASHRAE is offering a new pricing program to members who reside in countries categorized by the World Bank as Low-income or Lower-middle-income developing economies. **The cost is \$90 USD per year for individuals in eligible countries.** The benefits of the new program will include: electronic-only monthly access to the ASHRAE Journal and ASHRAE Insights, and the annual ASHRAE Handbook in CD format. To see a list of eligible countries, visit the ASHRAE website at: www.ashrae.org/developingeconomies. If you wish to select this option, please check that on the application.

Members can also pay \$165 (USD) per year and receive the print ASHRAE Journal and the printed copy of the annual ASHRAE Handbook.

Member (\$165 US)

Available to anyone with 12 years or more ASHRAE-approved experience in the HVAC&R industry.

Associate Member (\$165 US)

Available to anyone with less than 12 years of ASHRAE-approved experience in the HVAC&R industry.

Affiliate Member (\$40 US)

This affiliate grade is perfect for individuals who are new to ASHRAE (not previous Student or Associate members) who are age 30 or younger. It provides a great beginning for young professionals who wish to become involved in ASHRAE. Affiliate grade does not include the annual member benefit of the ASHRAE Handbook.

**Before you apply and select a member grade, we encourage you to visit the ASHRAE website at: www.ashrae.org/membership to see the member grades and their corresponding member benefits.
